

# Region 13 2024 Arrangers WorkShop at HCNW

A preconference to Harmony College Northwest  
Thursday and Friday, June 13-14  
In person at the University of Puget Sound

The Region 13 Arrangers WorkShop at Harmony College Northwest (HCNW) is for women and men who are curious to know more about barbershop arrangements and how they are created, from those who are just getting started to those who want to share, grow and hone their arranging skills.

Returning faculty members for 2024 are **Mike Menefee**, **Chuck Roegiers** and **Janice Wheeler**. We're really excited to have Mike back with us; we've missed him! In addition to special "Hands-on Arranging" sessions with Mike & Chuck, Janice will be reviewing updates on "The Public Domain: the Law, Sources, and Publishing." Opportunities will be available to share your personal work at the Tin Pan Alley session, and to sign up for a 45-minute private arranging review session with faculty.

The WorkShop begins Thursday afternoon at 1:00 pm and concludes Friday at noon. The agenda will be published at the Harmony College website as soon as all details are finalized. You are welcome to bring your laptop and portable keyboard (with earphones and batteries) if you wish. WorkShop pricing offers an early bird opportunity and includes meals, as well as rooms for resident students.

Type	Early Bird (ends May 15)	Regular
Resident	\$154.00	\$169.00
Suite	\$190.00	\$212.00
Commuter	\$90.00	\$106.00

Registration opens in late February. For registration forms, WorkShop agenda, and faculty bios, visit
